The holidays are upon us! This is the time of year we reflect and appreciate many things and many people.

Thank you to all of our volunteers (listed to the right), who make it all work.

Moving into the New Year, please consider how you may help. Even Santa had his helpers!

Season's Greetings. In warm appreciation of our association during the past year, we extend our very best wishes for a happy holiday season.

Serving,

NEIGHBORHOOD WATCH

Please keep your eyes open and start turning on your porch lights at night. **Residents have been reporting items being taken off porches and property recently (Plainfield and Rosemary submitted so far).**

It should be noted - please file police reports with the local DHPD at 313-277-6770. Police reports assist with tracking crime activity and will lead to increases patrols in the sub. If the police don't know, then they can't patrol areas as needed.

You should then also let your street Block Captain know about these activities. The next per to let know is the Neighborhood Watch Coordinator so all Block Captains can be made aware of issues. Neighborhood watch works if you follow these guidelines. **Making sure you notify Police and Block Captains keeps everyone ahead of crime patterns**.

COYOTE ALERT: there was a coyote sighting in our subdivision. On Tuesday, October 23, a coyote was sighted in the field behind Clairview. City officials have been notified.

As a precautionary measure, please do not leave your small animals, dogs or cats out and unattended after dusk. Coyotes migrate and seek food sources. They are typically scared of humans. However, if one is more aggressive, please report it to our local authorities.

When coming across a coyote, making loud noises may be most effective. Do not run or turn away, as most coyotes will give chase. Please turn on your porch lights and make loud noises before letting pets outside.

This notice is to advise, not alarm our residents. Coyotes are more and more common place, especially with properties along Hines Park. Exercise caution and be aware of your surroundings. Please notify authorities by calling the police non-emergency line at 313-277-6770, option 3 when sighting a coyote.

WINTER TO DO CHECKLIST

Utilize your local National Weather Service office: Fast-changing weather conditions happen just as described – fast!

Check the road conditions along your route: Weather conditions often change quickly when you travel through locations with varying landscapes. Be sure to check the current road conditions and updated alerts or advisories for the roads and highways you will be traveling on.

Stay mobile in your mobile: Having access to the most up-to-date weather warnings and advisory information is now easier than ever. Wherever you are, you can get the local weather forecast from the National Weather Service with one click on your home screen by visiting mobile.weather.gov and bookmark it to your phone.

Winterize your vehicle: No one likes encountering car problems at any point during the year. But fast-changing and harsh winter conditions can be particularly brutal on your vehicle. Download a checklist from a website to make sure you are ready.

Have a winter weather emergency kit: Like your mother always said, "It's better to be safe than sorry". Even with full preparation, surprises are bound to happen with weather conditions. Make sure Mother Nature doesn't catch you off guard by having some basic winter weather tools packed in your car at all times. Check out some of the items you should consider bringing along with a list provided by ready.gov.

Winter good neighbor tips:

⇒ **Please shovel your walkways**. Mailmen, package deliverers, visitors deserve a safe way to get to your home. Remember, if it isn't safe, mailmen can avoid delivering your mail to your home.

⇒ **Help your elderly and disabled** neighbor with snow removal

⇒ **DO NOT BLOW YOUR SNOW INTO THE STREET**. It is against ordinance. It isn't safe to add to an already bad street driving situation.

⇒ **SLOW DOWN!**! Pavement isn't dry.

There is always, always, always something to be thankful for.

MEMBERSHIP DUES COLLECTION STATUS

As of 11/05/18, we are at 39% out of 100% possible. Last year we got to 49%. We had a few volunteers going door-to-door but not enough to cover all of our streets in the subdivision. We really needed help when it comes to collecting dues. We just didn't have it this year.

Its sad really. Many subdivisions who don't have an association see what we offer and can't believe we do it with only a $25 donation from each home. They pay hundreds in dues and don't even get a newsletter. Events for the kids and adults, a newsletter with great information on what is going on in the sub (crime and events and things to do throughout the year). We were able to purchase new entranceway signs to enhance our neighborhood entrance. We put on a free to paid members resident gathering in November at DeLuca's. No other subdivision does this much for so little. And soon we won't be doing it either because with only 39% (189 residents) of our residents supporting our association, it will soon be gone.

If there is no association, the neighborhood appearance will start to degrade. Many residents take pride in their property, keeping it looking neat and natty, weed free, trimmed and pleasing to look at. **If the association ceases to exist**, people won't want to buy homes next to the ones that are run down and unkempt because we have no association to guide our neighbors and advise new neighbors by welcoming them with a folder full of key info like city ordinance guidelines that keep our sub looking great.

Crime will pick up because more and more homes will look abandoned and unkempt. There won't be a Neighborhood Watch group to help keep an eye out and report crime as it happens. Please think about paying your dues and help keep us the longest running association in the state (61 years) and a Great Place to Live!!! We can't do it without you! Its such a small amount to pay to keep our subdivision one of the best looking in Dearborn Heights.

Thanks! for your Support!!

GMCA would like to thank Lisa Oshanski for volunteering to be our Ordinance Liaison person in our sub. She has decided to retire from this position.

We are in need of someone who would like to take this important position over.

Ordinance Liaison:

- Work with Block Captains who will keep eyes peeled for possible ordinance violations, submit addresses and description to Ordinance coordinator
- Receive calls on Traffic or general ordinance issues in sub.
- Write down and track issues to see if there is a pattern before warning resident to prevent possible infraction ticket. Take pictures if necessary.
- Drive around neighborhood periodically and note specific possible violations (ie, blight, parking on street during garbage day, cans put out too early or not taken in, etc)
- Hand out our GMCA ordinance alert sheet to make residents aware of a possible violation that will lead to a warning/ticket from the city as a courtesy pre-warning before official violation notice/ticket. Work with D.H. Ordinance to resolve issues if necessary.
- Bring any issues that need help for resolution to the GMCA President to work with the city if necessary. Each resident received a GMCA Dearborn Heights Ordinance booklet - new residents receive one in their welcome packet.

If interested, please contact Lisa (313-348-9848)

WINTER STORM SIRENS!

Remember, if we expect 3" or more of snow, please remove your vehicles from the street so that the plows can clear it from curb-to-curb. **If a snow emergency is declared, you MUST REMOVE VEHICLES from the street** and they must remain off the street until an ALL CLEAR is declared.

You can check the City Website or our FACEBOOK page for updates.

Thank you to those residents that cleaned the leaves out of the street while cleaning up the leaves on their lawn. This helps keep the storm drains clear so that rain and snow melt can quickly drain from our streets. It won't turn into a skating rink for cars this winter.

Golfview Manor Safety Reporters—**Anthony & Kimberly Rzucidlo**

WINTER SAFETY/SECURITY TIPS

With the approaching winter season and the upcoming "Holidays" your safety reporters thought that we would share some basic safety/security information with you.

Holiday Fire Safety

SAFETY TIPS

- Take all of the usual fire safety precautions. Check all smoke detectors. Install carbon monoxide detectors. Have chimneys, fireplaces, and central heating units inspected by professionals.
- About 1/6 of home fires started by candles occur in December. Never use candles in areas where they could be knocked down. Never place lit candles in windows, with blinds or curtains. Keep candles and all open flames away from flammable liquids.
- 6,200 people are treated for injuries related to holiday decorations and Christmas trees.
- Holiday lights as well as Christmas lights cause 510 fires each year. Make sure to inspect each string of lights (old or new) for broken or cracked sockets, frayed or bare wires, loose connections, loose or missing bulbs. Throw out or repair any damaged sets.
- Christmas trees are involved in 400 fires annually. Artificial Trees - are cleaner and safer. Metal Trees - are not fire hazards unless improperly used. Natural Trees – are trees that are cut. The freshest trees are the ones you can cut yourself. To avoid a potential fire hazard, choose a fresh tree that has good color, has needles that are hard to pull from branches, has sticky resin on the butt of the trunk, and does not drop a lot of needles when its trunk is bounced on the ground.

SECURITY TIPS

- Try and not be the victim of a breaking and entering by turning on your lights. Some homes in the sub, once homeowners close their blinds you can't tell if someone is home or not . Why take the chance. Make you home appear that you are home even if you are not.
- Going away for the holidays? If so, make sure that you get an automatic timer for your lights. Even if you are not leaving out of town, you should have a timer for your lights.
- Ask a trusted neighbor to watch your home, shovel snow pick-up the mail and newspapers, and park in your driveway from time to time.
- If you go shopping make sure to stay alert and be aware of what's going on around you.
- Park in a well lighted space, and be sure to lock your doors.
- Shopping with children? Teach them to go to a store clerk or security guard if you get separated.
- Criminals sometimes pose as couriers delivering gifts. And it's not uncommon for people to try to take advantage of others generosity during the holidays by going door to door for charitable donations when there's no charity involved. Ask for identification. If not satisfied, call the police department.

Do your part to make the holidays a safe and happy time for everybody, except criminals.

STREETS AND CORNERS ETIQUETTE

Many residents and their visiting friends/relatives have been **parking close to the stop signs** at certain corners in our sub (including at the Inkster and Warren stop signs). This creates a safety problem for drivers approaching the stop sign and intersection. It is also hampering the school bus dropping off students at bus stop corners. **State law reflects that you have to be 15' (fifteen feet) away from the sign.** Please be aware of where you park in relation to the corners so that vehicles can pass each other safely.

THANK YOU TO ALL THE RESIDENTS THAT PAID MORE THAN THEIR $25 DUES. WE APPRECIATE YOU VERY MUCH!

PLEASE REMOVE LEAVES from the street and put them in a yard waste bag. Leaving them in the street before winter snow comes means when plows come through, they will plow them right back up into your lawn and you will be cleaning them up again in spring.

DO NOT SWEEP them into the street. The street cleaners are not equipped to pick up huge piles of leaves and debris.

Limit 10 bags per garbage day—or share space with your neighbors. Thanks.

GARBAGE CANS—it has been noticed that many residents are putting their garbage cans out way before the 6:00pm time.

There are some of you still putting your cans in the street. Cans and yard waste bags should not be put in the street. They belong on the boulevard or in the apron of your driveway.

Others have taken two to three days to take their cans in. Please take your cans in before 8pm on the day of garbage pick up. Thanks for keeping the appearance of our neighborhood pleasant.

We had 47 residents show up to your year end event. Fun was had by everyone. We filled up on food and beverages and had a raffle at the end of the eventing. If you missed it, come join us next year!

WE JUST WANT TO SAY... THANK YOU!

We would like to thank every one of our volunteers. Without you, our association wouldn't be what it is today. You take time out of your day to deliver newsletters, change signs at our entrances, write articles, volunteer your time as a block captain, committee chair, board member. As residents, you pay your dues, watch out for your elderly neighbor during sweltering hot and freezing cold weather, keep your homes and yard looking great. Our advertisers supply us with services we need, the homes along Warren and Inkster keep our entrances neat and clean and inviting to those visiting us. This list is long and we've probably missed someone, but know that without you, we wouldn't exist!!!!

GMCA-Golfview Manor Civic Association (Drbn Hts)

Keep up-to-date by 'liking" our Facebook page!

NO CHILD WITHOUT A CHRISTMAS!!!

Golfview Manor Civic Association continues the tradition of collecting for Goodfellows on the first Saturday in December. **We will be collecting from 8AM-3PM. Our intersection is Inkster and Joy Road.**

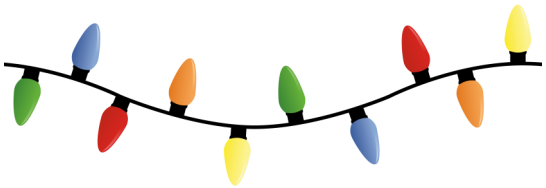
This is a wonderful opportunity to meet your neighbors and do good in our community. Goodfellows mission is to help ensure no child under 13 goes without on Christmas. **If you have an hour to spare on Saturday, December 1st, please call Kelli Tamburro at 313-804-1298.**

It's official!!! **Signs are posted and tickets will be issues and processed** if your vehicle is parked in the street on garbage day!

We want to thank all those who are following this enforceable ordinance. The street cleaners have been coming through and cleaning the streets. There has been some tree trimming. This has a dual purpose, GFL trucks can easily pick up cans to dump and the City can get a few things done without asking for people to move cars off the street.

Thank you again for making this subdivision a Great Place to Live!

CHRISTMAS HOLIDAY LIGHT CONTEST



Get your game on—its time for the holiday light contest. **Our judges will be out the weekend of December 15-16th in the evening** writing down 3 winners and a bunch of honorable mentions. Winners will receive a $20 gift card to Target and certificate with a picture of their home lights on it. **LET THE DECORATING BEGIN!**

(contest is open to homes that have paid their dues)
