Tiger Game

There was a proposal to add a \$5 charge for the bus, as this is a significant convenience. This will not be added to the budget.

The subdivision signs on Warren Avenue are turning yellow and are peeling. A proposal was made to leave the current amount in the budget for now, but to get additional bids. The signs last about ten years. We will consider raising our dues from \$20 to \$25.

2017 Budget

Last year, there were 15 – 20 attendees at the Ice Cream Social. A Budget of \$200 seemed excessive for this. It was reduced to zero. We will consider a block party or combining with other functions. It was decided to reduce the budget for the Residential Gathering from \$1,000 to \$750. The budget was approved as amended.

There were three winners. Elzein Family, Shetler Family, and Vial Family.
