

#GMCAROCKS

The idea is simple. People paint rocks **bright colors or with short messages on them and hide them** – preferably in plain sight – so that people find them. The person who finds the rock can take a photo of it or a selfie with the rock and post it to our GMCA Facebook page.

JOIN US ON TUESDAY, SEPTEMBER 28TH
6:00PM TO 7:00PM

We will have rocks to paint (or bring your own), paints and supplies to use. After we finish our rocks, we will wander the subdivision to secretly place them for residents to find.

So when you go for your walks with your family, be on the look out for a #GMCAROCKS painted rock. Take a selfie with your rock and then post it on our GMCA webpage or send it to Layla (laylaj1986@gmail.com) and she will post it.

For questions or more info, please contact Layla Elzein (313-759-0005)
