**T**hings continue to shape up as our Summer progresses. Our volunteers have been working hard, organizing neighborhood events including the Subdivision Garage Sale (**thank you Layla Elzein and Amanda Main**) and the upcoming Tiger Game Outing (**thank you John Riley**). Another big event is our August 11th Ice Cream Social (**Layla Elzein**) and the National Night Out/ Crime Prevention Night & Walk (**Lisa Hicks-Clayton and Block Captains**). Please read the articles in this newsletter for more information.

A few reminders—parking is prohibited on our designated trash day (Monday) by city ordinance. The City of Dearborn Heights

will be posting signs very soon. *Trash canisters must be stored in a manner as not to be visible from the street.* Please retrieve your trash canisters by 8 p.m. the day of trash pick up. Please visit the GMCA Ordinance handbook, which has been provided to all homes. If a copy is needed, please contact Tracy, 313-278-5620.

In closing, we wishing everyone a safe and happy summer!  
Respectfully,  
Lisa Hicks-Clayton  
GMCA, President

**DUES COLLECTION STARTS JULY 1ST** and your yearly envelope to make it easier for you to pay your dues is attached. **Please turn in your envelopes by Friday, August 31st.**

Lists of unpaid members will be printed for our door-to-door dues collection which starts on Saturday, September 1st.

Remember, you can also pay your dues via PayPal on our website. Lets make this a record year - can we make it to 100%? LETS DO IT!

## NEIGHBORHOOD WATCH

### Summer Job Scams

Job scams reach their peak during summer when out-of-school kids look for employment. Scam artists advertise for jobs on the same platforms that legitimate employers do. Job ads posted in newspapers, online, and on TV and radio cannot be trusted. It is advisable to run a background check on the company before providing any personally identifiable information to an employer. In another common summer job scam, the employer contacts students and asks them to make an advance payment. The moment the employer asks you to make an advance payment, you should know it's a scam.

### Door-Knocker Scams

A door knocker scam can range from protecting an endangered species to someone trying to sell you some product that you just don't require. The cause or product that the person is offering may be genuine, but the person may not.

If you support the cause or like the product and intend to buy it, first ask the salesperson for their permit. Door-to-door salesmen are required to have a permit. If they have a permit you can go ahead with the payment. Make the payment either by credit card or check, but never in cash. If the salesman does not have a permit, do not buy the product from him/her. If you still want to donate to the cause or buy the product, you can always do it online.

Come meet your Block Captain at the Saturday, August 11th GMCA Crime Awareness/Ice Cream Social. More information is on page 12 of this issue.

### FIREWORKS—love them or hate them!

Please be courteous to your neighbors and stop popping them off at a decent time (Maybe midnight—many residents have to go to work and would like some sleepy time if possible).

Be safe when using them. Have water available in case of disaster (never say never!).

Remember those veterans with PTSD—the sound of loud fireworks reminds them of the war time.

Many families lose pets this time of year due to the loud booms, scaring them to the point of running away!

### MARK YOUR CALENDAR

If you plan to go on the Tiger Bus Trip this year, mark your calendar for Tuesday, July 31st against the Cincinnati Reds. If you haven't gotten your tickets yet, contact John. Remember, children can attend this event as long as a parent or legal guardian attends with them.

Questions, please contact John Riley (313-274-1579).

### The Voluntary Sidewalk Replacement program is again being offered.

If you have slabs of sidewalk that are heaved and need replacement, you can get them done at \$200/ per slab plus a flat \$75 admin fee, which also covers the cost of the permit.

Please help us keep our residents safe. If your sidewalks can cause a trip hazard, this is a good opportunity to get them fixed. Many cement companies won't do just one or two slabs and they charge a lot of money.

If interested, please contact the Ordinance department at 313-791-3497 or by email at sidewalk@ci.dearborn-heights.mi.us.

### YARD BEAUTIFUL CONTEST 2018

The deadline for submission of homes you think deserve to win a gift card for the hard work they put into their landscaping is **Saturday, 8/18**.

This contest is open to those homes that have paid their dues.

### REMINDER:

Mosquito and Tick season is upon us. Remove standing water (outdoor flowerpots, buckets, pools you aren't using, pet water dishes, birdbaths) in items so that they can't lay their eggs to breed.

Check yourself, kids and pets for ticks. Yes, we do have ticks. Not just in forests and parks. Pat down every time you come in.

West Nile virus and Lyme disease, Rocky Mountain fever are nothing to sneeze at. So be proactive and prevent this from happening this summer.

**Are you putting off keeping your pet up-to-date on its vaccinations because you can't afford the cost?** Here's your chance to get them at a reduced price.

Also, if you still haven't gotten your pet a name tag with a phone number to get them home if lost without their collar, you can get them a microchip that will be registered to you so that if your pet were to get out, it can be scanned and returned to you immediately. Please take advantage of these clinics.

### FAMILY FUN DAY—TUESDAY, AUGUST 7TH

A fun day and evening to celebrate National Night Out in Dearborn Heights! We invite your family to explore our participating businesses and attractions in Dearborn and Dearborn Heights and check them off your "passport" **ALL WEEKEND!** After visiting as many businesses as possible (prizes for people who visit the most places), please join us at the Van Houten Splash Park in Dearborn Heights 4:00 pm to 7 pm for fun games and activities including bounce castles, face painting, child ID kits, our annual Bike Raffle, splash pad & food and beverages, firetrucks and much more!

Are you a new neighbor? Did you see a new neighbor move in? Please get in touch with us so we can update our rec-

ords, properly welcome our new neighbor and present them with a gift and welcome folder. These visits take approximately 15 minutes and our Sunshine Welcome committee is ready and waiting for your call.

Thanks everyone!

Please submit a name/phone number and address of the new neighbor (even if it is yourself). Submit to Tracy (gmcadh1957@wowway.com) or 26907 Clairview Drive. Thanks.

**TEEN  
ACTION  
COUNCIL**

The Golfview Manor Civic Association Teen Action Council continues to offer complimentary services to our elderly. One teen shops

for an elderly resident every week. Another cuts grass. So many great things happen because of the programs offered which support our youth.

The Teen Action Council is part of a strategic plan to engage youth via a youth leadership program. By offering events, services and other community based programs, students gain valuable leadership skills.

Students, ages 12-19, learn problem solving, team building, communication and the value of giving back to their community, our community - Dearborn Heights.

We are planning for the next academic year. Service projects will include supporting a local food pantry, raking leaves for elderly, disabled and Veterans of Dearborn Heights, Veterans Day Flag Project, a local animal shelter project and more!

Know a young person who might be interested? Call Lisa Hicks-Clayton, Advisor, at (313) 348-9848

**S**chool days bring congestion: Yellow school buses are picking up their charges, kids on bikes are hurrying to get to school before the bell rings, harried parents are trying to drop their kids off before work.

It's never more important for drivers to slow down and pay attention than when kids are present – especially before and after school.

**Please slow down in the sub** - drive safely and be aware of students walking and crossing the streets. The speed limit is 25 mph in the subdivision.

**Back to School Survival kits are back!** Students, ages Kindergarten to 4th grade may pick up their kit (1 per student ) at 26826 Rouge River Dr. on Tuesday, September 4th, 4-6 p.m., Wednesday, September 5th, 4-6 p.m. or Thursday, September 6th, 4-6 p.m.

**The City of Dearborn Heights is hiring poll workers for elections.** Pay for the workday and training can range from \$130.00- \$150.00. The City is only accepting applications from people who have a good understanding of computers and can operate a laptop computer. For more information, call 313-791-3432 or visit the Dearborn Heights City Clerk's office, 6045 Fenton.

**W**e hear your complaints! Please, it is against ordinance to allow your dog (s) to run at large (off leash). In addition, residents are finding brown "gems" in their yards. Some don't have dogs. Some, their dogs aren't out front. Who could mysteriously be planting these hidden "gems?". Please be courteous and pick up after your pooch.

**BLOCK CAPTAINS NEEDED**

We have two streets that are in need of a Neighborhood Watch Block Captain. They are Rouge River and Rosemary.

If you would be interested in being a Block Captain for your street, we would like to hear from you. For more information as to job responsibilities, please contact the NW Coordinator, Lisa Hicks-Clayton at 313-348-9848.

Neighborhood Watch is an important program for our sub and we need to have all streets represented. We have very little crime in our sub and its due to having a working watch program with coordinating Block Captains and watchful residents.

In late June, did you notice that the Dearborn Heights Tree Trimmers were in our sub. It was a Monday so vehicles were out of the street and they could go to the homes they needed to get to without having to stop and ask residents to move vehicles out of their way. The street sweeper also came through.

we are going to order new outside entranceway signs for our brick walls leading into our subdivision. The old ones lasted us for more years than expected. But the wear and tear of the weather

has made them discolored and peeled.

**The cost of these signs is \$1704.48.** We would like to again remind you that this is a project and we have allotted a line item in our budget for these new signs. This is an extra expense item that we allot funding for along with all the other regular expenditures that give our association the ability to provide items such as events, newsletters, website, welcome packages, membership envelopes, to name a few.

The more residents who pay their yearly dues of \$25, means we can squeak by and maintain our regular yearly expenditures and also do a project as needed. If you can show your support by paying your dues, it means we can actually do a large project like new signage that enhances the look and feel of our subdivision to the outside world.

Just so you know, the beautification of the corners in our sub is a type of project that we have been able to do without spending money. It is all labor intensive and donation of plants, mostly by me. The new signs needed at our entrances is something we absolutely need to do to maintain the appearance and appeal at the entrance into our subdivision.

Thanks you for your support every year. It is appreciated!!!

**THE SUBDIVISION GARAGE SALE** was a success. The rain held off as much as rain can. It didn't gush until around 4:30pm on Saturday. We had 15 people sign up to be on our map. I'm sure there were more homes than on the map.

Not sure how we can get more people to send in their information for the map. **Many garage customers were excited when we offered them the map.** They use it to get around our neighborhood and if they don't see markers/addresses for homes on specific streets, they might bypass your street totally. So it's important for you to let us know you are going to be in it. Those that just pop up might not get any traffic down your street.

We hope everyone made lots of money and feel free now that their stuff is up and out of the house.

Thanks Layla and Amanda for making this sale happen.

It may be cool enough for you, but not your dog. Dogs can't sweat like we do, so they get hotter faster and cool down slower. Just a few minutes in a hot car can damage your dog's heart, nerves, liver... or worse.

Every year, we see tragic results of people leaving pets in their cars. Please don't let this happen to you.

**Even though summer is almost over**, it's not too late to help your child become a better reader before the new school year begins. Summer is an important time for students to keep reading and improve their language skills. If your child hasn't been reading regularly this summer, they may be in danger of the summer slide.

**Stop by the Little Free Library, located at 26826 Rouge River Dr.** New books are added each week along with other fun surprises which will encourage your little reader to come back for more reading books!

Please pick up fallen sticks from trees off the sidewalks. This can cause an accident to a bike rider, elderly walking or using wheelchairs to get around. Also keep tree limbs trimmed hanging low over sidewalks.

**SUMMER FUN WITH THE KIDS—YOU CAN.....**

# GMCA NIGHT AGAINST CRIME & ICE CREAM SOCIAL SATURDAY, AUGUST 11th—5:00 PM 26951 Rouge River

Name three things you can do to keep our neighborhood safe? How about three things to protect your own home, vehicle or property?

The month of August is Crime Prevention Month. Many folks are familiar with National Night Out. Golfview Manor Civic Association Neighborhood Watch has participated in the National Night Out project for the last 7 years.

This year, GMCA Neighborhood Watch will offer several opportunities for Golfview Manor residents to get involved! Your participation will help you keep our neighborhood safe and protect your home, vehicle, and property!

**Join us on Saturday, August 11, 2018, from 5:00-7:00 p.m. at 26951 Rouge River Dr.** The evening event includes an ice cream social - sundae bar, activity bags for the children and fun for all. Our special guests include **Bain, the Dearborn Heights Police K9 and his handler and Dearborn Heights Police Crime Prevention Officer Carrie Hatten.**

There will be crime prevention kits for the children and for adults. Crime prevention trends for our subdivision will be discussed. A crime prevention walk will follow and a check list will be included - what to look for and how to keep your home from being an opportunity for crime!

Come meet your Block Captain!
