

DEARBORN HEIGHTS CRIME ALERT

June 2021

Hello **Golfview Manor Civic Association!** Here are some tips for all of us to follow and help put an end to the Crime in Our Neighborhoods!!!

- ✓ Now that the weather is warming up, if you have porch, house or garage lights on the outside of your home, it would be a good habit to get into turning them on in the evening! Just a simple thing such as turning lights on outside of your home may help deter criminals from coming onto your property or checking your vehicle door handles or even the doors to your home!
- ✓ Scam calls are still on the rise! No company will call you and ask for any payments over the phone so if anyone claims to be doing this, they are going to SCAM you! Be smart, just hang up or don't even answer the phone if you do not know the phone number calling! NOR will they collect money in iTunes or Visa Gift Cards, DO NOT fall for this! Be cautious of anyone that comes to your door or calls you trying to sell, clean up, or repair something....especially if you have not requested their services. Anyone soliciting door-to-door must be registered with the Dearborn Heights City Clerk's Office and have proper identification. Do NOT give let them in your home if you did not request for them to be there!
- ✓ LOCK ALL YOUR DOORS TO YOUR HOME AND VEHICLES – Also make sure to remove all valuables from your vehicles to avoid temptation from suspects walking around neighborhoods looking to break into your vehicle, stealing your valuables!!
- ✓ The Speed Awareness Monitor (S.A.M.) is available to monitor the speeders on Residential streets! The monitor will be moved on a weekly basis to different areas of the city that complaints have been made on! If you have a location you would like to let us know where it may be needed, please call the Traffic Bureau at 313-791-9807.
