Committee Reports

Sunshine Committee- Has a new leader. Paula Rochemont is accepting this position. Tracy Milligan will be providing materials and training in the coming month.

Neighborhood Watch - Received by e-mail. Carrie Hatten did not attend. Reminded all that tax season creates scams and not to give out personal information. The IRS, Social Security and other gov't agencies will never contact you by phone for personal information. The US Census has started mailing out forms. It is your legal obligation to complete the form. But, do not give out personal information to anyone coming to door without proper identification. If you mail your census in, no one will visit your home. Questions regarding age for Neighborhood Block Captains were determined to be 18 years of age. Brian is currently doing ordinance with Beth but did express an interest in coordinating block Captains.

Ordinance Report - Beth Covell and Brian Liberadzki are now liaisons. General issues for this time of year. Beth has not received any calls from GMCA residents, in her new position.

Membership - Issue with new schedule for newsletter. We will be sending envelopes out in May distribution and we will accept envelopes and dues through July. It was agreed that girl scouts can staple the envelopes to the newsletter as a service project.

Storage Units- Needs to be cleared of dictionaries that are going to third graders in the area. Lisa Hicks Clayton has agreed to clear these out before end of March. All Easter products in storage unit are property of GMCA. Backpacks will be cleared from storage unit in Sept. Goal is to be able to rent a smaller unit.

Entrance signs - costed by Tracy. \$321.71 additional needed for budget. John Rinn motioned; Amanda B Mains seconded. Approved

It was decided in Feb to send flowers to Lisa Hicks Clayton. This was not done. It was agreed that instead GMCA will send a donation to family. Made change to budget to make monetary decision. Approved.

Capital Projects - Project Brainstorm Results:

- Block Party - catered for base food, and potluck for rest.
- Curb number painting - Lisa will check the bids getting this paint. Stencil/spray paint etc.
- Movie Nights - Family movies
