

The meeting was called to order by President at 7:04pm as a Google meeting.

**New Faces Welcoming:** no new faces

**Minutes** – No minutes were submitted for the months of July through October – approved by vote minutes for December 2021. We also need to secure a Secretary as John Rinn cannot participate this year. He will catch up the past minutes.

**Treasurer's Report** – Pursuant to motion, second and vote, the treasurer's report was approved.

**Budget 2022 approval** – budget was reviewed and approved at this meeting. If changes need to be made (funds added) they will be submitted at a future meeting as needed.

**Sunshine Committee** – No new homes welcomed or sold. Will send updated listing as changes happen.

**Ordinance** – Brian working with Rouge River neighbor regarding large trailers and campers parked up in driveway. Following up with D.H. ordinance.

**Neighborhood Watch** - Carrie Hatten says just a few small issues happening but nothing has changed for GMCA.

**Youth Leadership** – Need a coordinator for this program.

**Entrance Signs** – The sign casing that fell off has been fixed and the other 7 have been reinforced.

**Solar Light purchase** – Solar light was put up and it isn't very bright right now because of our winter gloomy days. Will wait till Spring when we have sunnier days to evaluate the brightness of the light before purchasing 7 more.

**New 2022 Project ideas** – Layla will post a Facebook poll of some of the ideas she asked us to send to her for projects to spend funds on. We need to start spending funds so need projects that benefit the whole sub.

**Audit of Treasurers books** – will be done by end of January for presentation at February meeting. Waiting for final statement from bank.

**Future of GMCA** – How to get participation. Possibly bring in guest speakers (Ordinance, Mayor, Fire Safety). Need to discuss ways to get more residents to participate in meetings (Google Meet is safe and easy to join). Will look into Google Meet subscription so that we can have longer meetings and won't get kicked out in one hour.

## **EVENTS**

- **Easter Egg Hunt** – Sunday April 10<sup>th</sup> at 26951 Rouge River (Layla's home). Looking into renting a Bunny Costume
