

The meeting was called to order by President at 7:03pm as a Google meeting.

New Faces Welcoming: no new faces

Minutes – No minutes were submitted for the months of July through October 2021 from John Rinn – approved the January 2022 minutes as read.

Treasurer's Report - Pursuant to motion, second and vote, the treasurer's report was approved. No activity.

Sunshine Committee – No new homes welcomed or sold – haven't heard from Paula where she stands.

Ordinance – No issues reported.

Neighborhood Watch – Carrie Hatten reported no new issues in our sub. Kelli Tamburro also said all was quiet. Kelli looking into new window clings to replace the yellow eye cards. They will be similar to the NW signs at our entrances. Also, if no block captains found for open streets, will talk about revamping this area to accommodate lack of participation from volunteers.

Youth Leadership - Kelli Tamburro will contact Lisa to get a feel for how many youths she had signed up. She will write an article asking if there is an interest to restart up this program and brainstorm ideas to work with the youth. Example would be the backpack project, working with food pantries, etc.

New 2022 Project ideas – Layla asked for ideas on neighborhood projects and will post a Facebook poll of some of the ideas she asked us to send to her for projects to spend funds on. Will bring up at next meeting also.

Audit of Treasurers books – Completed with no major issues. Items noted were explained. Also, Tracy brought up an issue she thought was important – to transfer \$10,000 from our checking to our savings account. Shouldn't really have that much in a checkbook. It will also earn more interest, although very small.

Future of GMCA – Didn't talk about this – will move to March meeting.

EVENTS

- **Easter Egg Hunt** – Sunday April 10th at 26951 Rouge River (Layla's home). Looking into renting a Bunny Costume

The meeting was adjourned at 7:34 P.M.
