

## Minutes of March 7, 2022 (google meet)

The meeting was called to order by President at 7:02pm as a Google meeting.

**New Faces Welcoming:** late arrival to meeting Kristin Mott (Amboy)

**Minutes** – Agreed to consider July-October 2021 minutes lost. We approved the February 2022 minutes as read.

**Treasurer's Report** - Pursuant to motion, second and vote, the treasurer's report was approved.

**Sunshine Committee** – Was suggested to change the process. Due to lack of callbacks from residents, the letter will be updated to reflect “attached is welcome package, inside is coupon for complimentary dues if you fill out key info”. This way Paula won't wait for return call. If they have questions, they can call. She can give out a mug if they call to meet.

**Ordinance** –

- Brian went around the sub to note which homes have their Blue Cans out front and visible (ordinance says they need to be out of sight), plus noting those that don't take their cans in till days later after trash day.
- Inquired about the outside sign solar lights stating he thinks we can order the 7 we need for the rest of entrances. On sunny days the light looks great, it isn't as bright on cloudy days but works well. Motion made and approved. Tracy to order them and will have them installed.

**Neighborhood Watch** –

- This may be last meeting Carrie Hatten will be attending. The Crime Prevention unit has been dispersed. She will be going back on patrol. Decision was made to create a letter from GMCA voicing our opinion of not having a Crime Prevention officer. It is depended on by neighborhoods and residents.
- Kelli reported that she wants to get quotes for a new NW window cling to replace the yellow eye cards. She will bring these quotes to the next meeting.

**Youth Leadership** - Kelli wrote article for newsletter seeking those youth interested in working with GMCA and Youth Leadership group. Layla to work with Kelli in organizing the Backpack Project for school kids.

**One-Time Fertilizer/weed control** - Kelli to contact 3 companies and get a quote for the one-time application to the boulevards along Warren and Inkster. This will help with the appearance into our sub with all the weeds that happen.

**New 2022 Project ideas** – Couple of ideas were submitted. Discussed the street sign topper idea. It was agreed that Amanda and Layla will look into a few companies and get some estimates and ideas on how to go about creating and making a topper to fit our sub.

**Future of GMCA** – Didn't talk about this – will move to April meeting.

### **EVENTS**

- **Easter Egg Hunt** – Sunday April 10<sup>th</sup> at 26951 Rouge River (Layla's home). Looked into purchasing a bunny costume and a backdrop for picture taking.
- **Motioned** additional funds (\$50) added to current \$120 budget amount to cover the above purchases and supplies need to conduct the event.
- **I Spy/Ice cream social** – on target for June 6<sup>th</sup> (no meeting)
- **GMCA Sub Garage Sale** – on target for weekend of July 15-16-17

**The meeting was adjourned at 7:58 P.M.**
