

## Minutes of April 11, 2022 (google meet)

The meeting was called to order by President at 7:03pm as a Google meeting.

**New Faces Welcoming:** No new faces

**Minutes** –Motioned, second and voted to approve the March 2022 minutes as read.

**Treasurer's Report** - Motioned, second and voted to approve the treasurer's report as read.

**Sunshine Committee** – Paula was absent, but she caught up on the list.

**Ordinance** – Brian has been addressing the speeders in the sub as they happen. He has also been canvassing the neighborhood to note Blue Cans put out way before 6pm and also those that don't get brought in before 8pm day of trash service.

**Neighborhood Watch** –

- It was noted that GMCA sent a letter regarding the discontinuation of the NW crime position that Carrie used to hold. Kelli said she would contact the police department to make sure this is correct and to make sure there isn't something else they plan to do.
- Kelli is still working on making some NW window clings and will be picking a graphic and getting estimates.

**Youth Leadership** - Kelli has not received any responses to the article in the newsletter. Layla had mentioned she would work on the backpack project for school children.

**New Entranceway sign proposal** – A resident contacted Layla to ask if we could include Arabic holidays. A sample graphic was submitted for Ramadan and on the other side we could put the end of Ramadan (Eid). Will pick a graphic and look up pricing and approve funds at the next meeting to get a new sign.

**One-Time Fertilizer/weed control** - Kelli submitted inquiries from 3 companies and motion by Layla, seconded by Tracy, passed to go with TruGreen. Tracy to contact the company and secure the service. It was \$95/per application and six applications will be done (2 spring, 2 summer, 2 fall).

**New GMCA Facebook group page** – The page is well accepted. We have 60 members so far. We will keep trying to get residents to join. Posting events, turning off comments and having the ability of residents to post (with approval of admins) is great.

**Speaker for May meeting** – Lisa Hicks-Clayton would like to attend and present at the May meeting regarding ability to use kiosk DivDat for paying bills and taxes. Will post on Facebook, send email of meeting topic and have her attend.

**Street Sign Topper project** –The street sign topper idea was chosen to work on. Amanda looked into a local company and will contact them. Tracy will look up previous info regarding how many signs needed, etc. Layla work on a design for us to choose style.

**Future of GMCA** – One new idea was to look into group texting for meetings and information. Will canvass members of sub via email and Facebook to see if anyone is interested in this method of communication.
