- Carrie Hatten reported nothing of interest for GMCA

**Ordinance** – Brian hasn't had any issues noticed. There was a four-wheeler speeding through our streets and he will look into it. Not supposed to be driving them in our streets.

**Youth Leadership** - Kelli scheduled an impromptu cleanup day to pick up debris along boulevards on Warren and Inkster. We got Warren complete and filled up a lot of bags of stuff. She will also try to organize a shelter visit and hopes to get youth to **respond.**

**Speaker** – Lisa Hicks-Clayton did a quick presentation on the DivDat payment app and kiosks regarding easy payment of tax bills and water bills. There is no fee if you pay by checking account or debit card, but if using credit cards there is a small fee.

**New Entranceway sign proposal** – We picked two signs (Ramadan and Eid). Motioned by Amanda to approved budget of \$400 for purchase of new signs, seconded by Kelli Tamburro. Motion passed.

**New Solar Lights** - Seven solar lights were installed on the other entranceway signs.

**Street Sign Topper project** –Amanda looked into a local company and will contact them. Tracy found the previous information on street signage and mentioned there are 28 internal corner signs. Depending on pricing, might want to just do the 8 entrances with a topper and then we can decide to do the internal ones in batches.
