

DUES COLLECTION DOOR-TO-DOOR STARTS!

We have collected a lot of Blue Envelopes so far. Thanks goes out those residents that sent them in with your dues payment. It shows that you support our association. Double thanks to those that sent in more than what was asked for. We appreciate you very much and your support for what the association means to this neighborhood.

Excitement filled the air, as students returned to school. Students from Thorne and Daly Elementary Schools, part of the Westwood Community School District, lined up and were greeted with high fives, cheers, and "Welcome back to school! We missed you!"

Golfview Manor Civic Association's Youth Leadership Programs, a local Dearborn Heights organization and 501c3, sponsored the annual "Backpack Project." The Youth Leadership Programs, written and under the leadership of GMCA Youth Leadership Advisor, Lisa Hicks-Clayton, supports student development and builds leadership skills through community service.

This year, over 1,000 backpacks were distributed to students of the Westwood Community School District. Each year, a different school district is chosen to receive the complimentary backpacks. GMCA Youth Leadership adviser, Lisa Hicks-Clayton, shared, "The project is designed to support families and we wish for students to start the new school year on a positive note . Our sponsors wish for families to know we care about you."

Members of Services to Enhance Potential (STEP), a community partner, assisted with distributing the backpacks to students. Midwest Recycling, LAHC, Fairlane Car Wash, DTE. Congresswoman Rashida Tlaib and Michigan Senator Betty Jean Alexander were also community partners, assisted with welcoming students back to school and distributing backpacks. The Westwood Community School District Superintendent Dr. Stiles Simmons, school principal, teachers and School Board members were key in their support and are making a difference in our students' lives.

If you would like to know more about the projects that our youth work on or have youth that would benefit from joining the group, please contact me.

ELECTION OF THE 2020 BOARD

We have been successful during the 2019 year and plan to move forward into 2020. We would love to have more resident participation in our association.

Maybe you think GMCA meetings are boring and don't want to waste your time going over business items. Its really more than just business.

- Did you know that we get local crime updates from Cpl. Carrie Hatten at these meetings. Residents also give us details on crime in their area of the sub.
- We talk about issues residents may be having in their area of the sub and try to help resolve them and give ideas on how to handle situations.
- We get to know new residents that join us and answer questions they may have.
- We talk about fun community things going on in Dearborn Heights and surrounding cities. We talk about new events we want to offer too.

Our monthly gatherings are open to everyone in our sub. We could use your input at each and every one. Our summer meetings this year included a BBQ with great food and lots of conversation. We enjoyed hearing about what's going on with our neighbors and ate dinner and dessert too.

If you would like to know about the positions that are on the GMCA Board ballot, please contact us. If you would like to put your name in the hat for any of the positions, let us know. We would love to add new members to the board.

You can turn in your name to Tracy (313-278-5620 or gmcadh1957@wowway.com) by Friday, October 25th. We will be taking a quick vote at the November 4th Resident Gathering at DeLuca's.

Positions open are:

PRESIDENT
VICE PRESIDENT
SECRETARY
TREASURER

GET
INVOLVED

Five Director positions are also available if you would like to volunteer.

BEING A GOOD NEIGHBOR MEANS...

ALL PETS
MUST BE
ON A LEASH

PLEASE CLEAN UP
AFTER YOUR PET

It has been brought up by a few residents that **some dog walkers have been letting their dogs run on the golf course property.** These dogs are sometimes leaving their stinky presents along the fence lines of GMCA property backing up to the golf course and dog owners aren't picking it up.

The golf course property is private property and not a personal dog park to use. Second, **no matter where you take your dog for a walk, ALWAYS pick up after your pet** (*it's even required at the actual dog park in Hines Park*).

Please refrain from using golf course property (or the ball field property) as your dogs personal potty box. More people see you not picking it up than you think. **BE A GOOD NEIGHBOR** and **ALWAYS pick up the stinky presents your dog leaves on your walks anywhere in the sub.** Thanks everyone.

FALL IS COMING!!!

Its that time of year when we start seeing the leaves fall and blow around.

Please rake your leaves and place in your yard waste bags or marked cans for pick-up.

Leaving them on your lawn to blow down the street to someone else's yard isn't neighborly. That goes for leaves that happened to fall on your treeless lawn. We all need to do our part to keep our sub looking great throughout the year.

Trees are important because they produce oxygen, intercept airborne particulates, and reduce smog, enhancing a community's respiratory health.

We all benefit from the trees in our sub. Let's enjoy every one of them.

TIS THE SEASON TO DO YOUR FALL CLEANUP (OR HIRE IT OUT)

- ◆ **Clean out debris.** Fallen leaves and weeds are the perfect place for pests to settle in for the winter. Clear out flower beds to keep the critters at bay. Pay special attention to rose beds, as their foliage can foster disease over the winter.
- ◆ **Till the vegetable garden.** After the final harvest, pull out old vegetable plants, remove debris, and completely till the whole plot. If you compost, now is the time to add a layer of compost to help nurture your soil for planting next spring.
- ◆ **Trim Rogue Branches.** Trim up any large or out-of-place tree branches that may cause trouble during the winter. You don't want any branches breaking and falling during the snowfall to come.
- ◆ **Clean out the gutters.** Not all fall cleanups are in the yard. This is the perfect time to clear leaves and other debris from rain gutters. Check for proper drainage, clear out any blockages with a small garden trowel, and rinse with a hose.
- ◆ **Dry everything out.** Drain all water from hoses, fountains, and drip irrigation systems, and store them in a dry place. Water left standing over the winter may damage your equipment.
- ◆ **Feed the lawn.** Send your yard into winter with the nutrients it needs to survive the long, cold sleep. Add a fall lawn fertilizer with high phosphorous content to encourage root growth and enjoy a lush, green lawn come spring.
- ◆ **Rake and mulch.** Don't let fallen leaves get the best of you; if left unattended they can suffocate the grass. Rake them up, shred them, and use them as mulch for young trees, shrubs, and flower beds. You might even be able to skip the raking part if you use a lawn mower to mulch the leaves in your yard.
- ◆ **Prune trees and shrubs.** Trim any dead branches and cut back overgrown trees and bushes. If you have blooming perennials like clematis or roses, now is the time to prune them and train the branches.
- ◆ **Give it one last mow.** Set your mower to a low setting and give the lawn a close buzz before winter sets in. This helps the soil dry out more quickly in the spring, which leads to a lusher lawn.
- ◆ **Divide and cut back perennials.** If your perennials really took off this year, go ahead and spread the love. Divide plants and add them to other beds where they will also do well. This saves money and time in the spring. Fall-blooming perennials like chrysanthemums shouldn't be divided now — wait and divide them in the spring.
- ◆ **Protect cold-sensitive plants.** Keep sensitive perennials, shrubs, and roses in top shape through the cold days of winter. Add mulch to the base and wrap plants in cloth barriers to prevent damage from freezing. Depending on the hardiness of the plant and your climate, you can use a single sheet or blanket or wrap them in a combination of cloth and plastic.
- ◆ **Plant bulbs, shrubs, and fall annuals.** Some plants do best when planted in the fall. If you want to add new shrubs or spring bulbs like hyacinth, now is the time to get them in the ground. Fall annuals like pansies are also a great addition to keep some color in your yard as other plants go to sleep.
- ◆ **Protect the deck.** Prevent the growth of mold and mildew by giving the deck a good power wash. If you don't have a pressure washer, you can rent one from a garden store. Once the deck is clean and dry, add a weatherproofing stain to protect the wood from moisture damage over the winter.
- ◆ **Clean tools and store them.** Don't throw your gardening tools in the shed and forget about them until spring. Take time to give them a good cleaning and add a light coat of oil to prevent rust during the cold season.

MEMBERSHIP DUES COLLECTION SO FAR....

Did you find your Blue Dues envelope attached to the newsletter? Did you turn it in with your dues yet? If not, please find it and help us achieve our goal of 100%.

We are only at 23%. How is your street doing? If you can't volunteer to chair an event or hold a position, paying your dues can show your support in a round about way.

Door-to-Door collection of dues starts 9/01 and goes thru 10/31. If you have your BLUE envelope, have it ready for our collectors or have your payment ready if you don't have the envelope.

PLEASE answer your door even if you can't afford to pay or choose not to pay. We want to mark you off the list so our collectors don't have to come back again to your home.

If you choose to not pay your dues, please tell them why. We want to know what your reason is so we can understand why you feel that way.

I want to **thank all those residents who gave more than the amount requested.** It shows that you support your Association and what it tries to do for our subdivision.

I have lived in this subdivision for 62 years. I have seen many residents come and go over the years. I am still proud to reside in our neighborhood and am happy to see the effort everyone still makes with regard to property upkeep, following the many ordinances put in place by the city to keep everyone safe, as well as maintain the appearance we all expect.

I remember the good old days when everyone knew everyone. I know my neighbors to right and left and across the street. Its great because one day, when things didn't look right at my house, my neighbors checked up on me. Get to know your neighbors. If they don't know how to do something, offer to help. If they need help and guidance, offer your services. If you notice a curtain doesn't open like usual, go check on that neighbor. We are really one big happy GMCA family and take care of each other. We all chose to live in this subdivision because it offers so much more than just a house to live in. It's a Great Place to Live!

–Tracy

Golfview Manor Safety Reporters—Anthony & Kimberly Rzucidlo

Prepared, Not Scared

National Preparedness Month is recognized each September to promote family and community disaster and emergency planning now and throughout the year.

The 2019 theme is "Prepared, Not Scared." With that said, the Dearborn Heights Community Emergency Response Team (which Kim and I are members of) has been very active over the years promoting this event. We have set-up public displays in a local business as well as in both libraries located in our city. At the end of August, we will be setting-up a display in one of the display cabinets located at the Caroline Kennedy Library by city hall, promoting National Preparedness Month. If you are in the area stop by and check it out. Make your neighbors and friends aware of the display as well.

With that said think about this, nearly half of U.S. adults do not have the resources and plans in place in the event of an emergency. Are you one of them?

- 44% of Americans do not have first aid kits
- 48% of Americans do not have emergency supplies
- 20% of Americans get emergency information from mobile apps
- 20% of Americans use social media for alerts and warnings
- 52% of Americans do not have copies of crucial personal documents

PREPARED, NOT SCARED

PORTIONS OF HINES DRIVE WILL BE CLOSED.....

Wayne County will be resurfacing Hines Drive between Ford Road and Outer Drive beginning Monday, August 26. ***This segment of Hines Drive will be completely closed to through traffic for much of the duration.*** This is federally-funded and overseen by Wayne County. The City of Dearborn has no role in the project, but we understand that it will affect regional drivers.

NEIGHBORHOOD WATCH

HALLOWEEN PATROL SCHEDULE

GMCA will again offer Halloween Patrols. The dates and times are listed below:

Wednesday, 10/30—6pm to 1:00am
Thursday, 10/31—6pm to 1:00am

Volunteers needed! Please contact Lisa Hicks-Clayton at 313-348-9848.

Below are tips for parents, children and motorists to keep in mind before heading out this Halloween.

Tips for motorists:

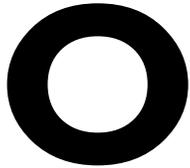

- **Slow down.** Watch for children walking on roads, medians and curbs.
- Be extra alert when pulling in and out of driveways.
- Be especially alert for **children darting** out from between parked vehicles and from behind bushes and shrubs. They're excited and may not be paying attention.
- Do not pass other vehicles that have stopped in the roadway. They could be dropping off children.
- If you are driving to a Halloween party, put your mask on after you park the car.
- Never drink and drive – tonight or any night. If you are partying, designate a driver.

We are still looking for two Block Captains to fill open positions for the Fairwood/Hillside/Pleasant Ridge area. To have a successful working Neighborhood Watch we need to fill all open positions. Please contact Lisa Hicks-Clayton if you can volunteer or need more info.

SUNSHINE WELCOME COMMITTEE

ur Sunshine Welcome Committee has welcomed a handful of new neighbors.

Now we need you to report new neighbors to us so we can welcome new residents with a booklet of important information, and a gift. Meeting with you for about 15 minutes gives us an opportunity to answer any questions you may have about our subdivision and what we offer, as well as providing you with a gift from our association welcoming you to the neighborhood.

Please, if you see a new neighbor move in (or if you are a new neighbor who has moved in), contact May Sabah to be added to the list to be welcomed. Thanks everyone.

Welcome Chairperson
May Sabah—703-981-1670

Every year, John Riley organizes the Tiger Game Bus Trip. This year it was on Wednesday, August 28. The Tigers weren't doing so well this year so he had a tough time selling all of the tickets purchased for this event, but those that went really had a good time. It's a great opportunity for GMCA Tiger fans to get together and have a fun night out. They lost to the Cleveland Indians (4-2).

Thanks John for organizing this event every year!

ARE YOU ENJOYING THIS NEWSLETTER?

There is only 1 more newsletter left after this one.

We need an editor willing to take over creating our newsletter? Is it you? Let us know. Its an important communication tool and we would really hate to lose it. Not everyone has internet so we feel its important to keep it going. It doesn't have to be 12 pages. Its up to the editor who continues managing this portion of GMCA communication. Contact Tracy if interested! 313-278-5620 or gmcadh1957@wowway.com.

GMCA Resident Gathering

MONDAY—NOVEMBER 4TH—DeLUCA'S RESTAURANT—7:00PM

Come one, come all to our annual gathering of residents at DeLuca's Restaurant. There will be food, beverages, door prizes and fun for everyone.

This is a complimentary event for the family members residing in the home who have paid their dues. You can pay your dues at this event if you haven't already.

Non-member attendance will require a \$10/per person fee to cover the cost of food/drinks.

We will have meat/non-meat pizzas, salad, garlic breadsticks, and pop.

There will be door prizes and favors. Come have some fun and enjoy an evening out with your fellow neighbors.

Please RSVP with # attending to Layla, 313-759-0005 or layla1986@gmail.com.

We want to make sure we have enough tables/chairs and food for this event. Thanks!

COME JOIN THE FUN!

LIKE US on Facebook to stay up-to-date on current issues in our sub (Crime, current events, etc). Make sure we have your email address for our GMCA group list to receive important updates.
